Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 19, 2019, Appliance Recycling Centers of America, Inc. (the “Company”) filed a Certificate of Change with the Office of the Secretary of State of the State of Nevada in order to effectuate a one-for-five (1:5) reverse stock split (the “Reverse Stock Split”) and a contemporaneous one-for-five (1:5) reduction in the number of authorized shares of the Company’s common stock, par value \$0.001 per share (“Common Stock”), from 50,000,000 to 10,000,000 shares in accordance with the procedures authorized by the Nevada Revised Statutes Sections 78.207 and 78.209. The number of authorized shares of the Company’s preferred stock, par value \$0.001 per share (“Preferred Stock”), is not affected by the Reverse Stock Split and is remaining at 2,000,000. The Company’s board of directors approved this corporate action by unanimous written consent on April 16, 2019. The Reverse Stock Split is expected to increase the per share trading price of the Company’s Common Stock in an effort to regain compliance with the Nasdaq Listing Rules. The Reverse Stock Split did not require stockholder approval.

As a result of the Reverse Stock Split, stockholders of record as of April 17, 2019 will receive one share for every five shares of Common Stock then held. The par value and other terms of the Company’s Common Stock will not be affected by the Reverse Stock Split. Any fractional shares of Common Stock resulting from the Reverse Stock Split for any holder will be rounded up to the next whole share. No fractional shares will be issued in connection with the Reverse Stock Split.

Except as set forth in the next sentence, the terms of the Company’s Series A Convertible Preferred Stock (the “Series A Preferred Stock”) are not affected by the Reverse Stock Split. As a result of the Reverse Stock Split, the conversion ratio of the Series A Preferred Stock shall be modified from the current ratio of 1:100 to a post-Reverse Stock Split ratio of 1:20, which the Company’s Board of Directors has determined, in good faith, to be equitable in the current circumstances.

The Reverse Stock Split is intended to be effective as of 5:00 p.m., Pacific Time, on April 19, 2019. The Company anticipates that the Reverse Stock Split will be effective for trading purposes at the market opening on April 22, 2019, at which time the Company’s Common Stock will begin trading on The NASDAQ Capital Market on a split-adjusted basis. The Company’s Common Stock will continue to trade under the symbol “ARCI.” The new CUSIP number for the Common Stock post-Reverse Stock Split will be 03814F403. The CUSIP number for the Series A Preferred Stock is not changing and remains 03814F304. The Series A Preferred Stock is not listed on any exchange nor quoted in the Over-The-Counter markets. Stockholders are not required to take any action to affect the exchange of their shares of Common Stock.

A copy of the Certificate of Change is attached as Exhibit 3.1 to this Current Report on Form 8-K. A copy of the press release announcing the Reverse Stock Split is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Appliance Recycling Centers of America Announces Reverse Stock Split of Common Stock

Minneapolis, MN (April 18, 2019) -- Appliance Recycling Centers of America, Inc. (Nasdaq: ARCI) ("ARCA" or the "Company"), a leading provider of utility appliance recycling programs, announces today that it will effect a 1-for-5 reverse split of its outstanding common stock on April 19, 2019, which will be effective for trading purposes as of the commencement of trading on Monday, April 22, 2019.

Trading of the Company's common stock on The Nasdaq Capital Market will continue, on a post-split basis, with the opening of the markets on April 22, 2019, under the existing trading symbol "ARCI" and with a new CUSIP number: 03814F403. The Company's Series A preferred stock is not affected by the split, is not listed on any exchange nor quoted in the Over-the-Counter markets, and its CUSIP number will remain 03814F304.

As a result of the reverse stock split, every five shares of the Company's pre-reverse split common stock will be combined and reclassified into one share of common stock. Further, the reverse stock split will not affect proportionate voting rights and other rights of common stockholders. As a result of the reverse stock split, the conversion ratio of the Company's Series A preferred stock shall be modified from the current ratio of 1:100 to a post-common stock split ratio of 1:20, which the Company's Board of Directors has determined, in good faith, to be equitable in the current circumstances.

Common stockholders who would otherwise hold a fractional share of common stock will receive an increase to their common stock as the common stock will be rounded up to a full share. No fractional shares will be issued in connection with the reverse stock split. The number of authorized shares of the Company's common stock will be reduced from 50,000,000 to 10,000,000. The number of authorized shares of the Company's preferred stock will not be affected and shall remain at 2,000,000.

The purpose of the 1-for-5 reverse stock split is to raise the per share trading price of the Company's common stock in an effort to continue the Company's listing on The Nasdaq Capital Market.
